From The President's Desk

To all SRPW Residents,

Webster's dictionary defines "Change – (1) as to make someone or something different; alter or modify. (2) To replace something with something else, especially something of the same kind that is newer and better." Our team ran under the campaign slogan of "Let's Make A Change Together." That slogan has now become the mission statement of the new Administration.

As we will not see change happen overnight, gradually it will become apparent. The first and most important change is to make the clubhouse a place for all residents. To make residents feel welcome and invited, not that they are bothering or interrupting people. The lower level of the clubhouse is open daily to ALL residents for games and activities. Game Night is every Friday evening beginning at 5:30pm. Again, this activity is open to ALL residents.

In addition, we have several clubs that are open to residents to join; Community Events Club, Men's Club, Women's Club, etc. I will be meeting with the Clubs and Committees in the near future to establish the position of "Greeter". This individual(s) will meet and greet any newcomers and/or interested residents.

We heard from many residents who felt overlooked or unwelcomed when they first engaged with the HOA. Let me be clear, this has been years in the making. While this may have not have been intentional, it's clear that first impressions matter. We now have the opportunity to do better. Every resident should feel heard, respected and included from the start. By improving how we welcome and support new members, we can build a stronger, more connected community. The SRPW HOA is for everyone, not just a few and we must all remember this.

Your participation in clubs and events is greatly encouraged. We are always open to new ideas and suggestions to make our association a better and more enjoyable place for the residents. Thank you for your understanding and continued support.

Richard Laird, President

SRPW - HOA

From The Vice President's Desk

I would like to start by saying thank you for all your support these first few weeks in office. It has meant a lot to all of us!

As a reminder, please continue to fill out the designated form regarding common grounds. Thank you to those that have dropped off their forms. We are working together with American Properties to ensure all issues are addressed. Once again, it's important to clarify that we have not hired a landscaping company, but a lawn cutting service. Their role is strictly to mow the common areas. So, if you are dumping tree limbs, branches, etc., in your common area, please understand that this action is slowing down our progress.

Special thanks to our Saturday morning grounds crew. It is early, but everyone comes ready to work with a smile on their face and a spring in their step! Jim, Polly, Debi, Carmine, John and a new recruit Mark!! Thanks for all your help and making a difference.

If anyone would be interested in having some Saturday morning fun, we start at 8am and it is basically just for an hour, or until both trailers are full.

Enjoy and stay cool

Esther

Please remember:

Do not rake or dump yard waste from your backyard into the common areas, as the landscapers are not able to get in and mow.

Branches must be cut into 4' sections and bundled.

These will be picked up with your trash if left at the curb.

Your cooperation helps us maintain a clean and pleasant community for everyone.

Thank YOU.

Dues Assessments

The third quarter payment for 2025 dues is due on July 1st. A late fee of \$15 will be added to your account on the 1st of the next month if dues are not paid on time. Association dues assessments are payable on or before the first day of a given quarter. To ensure that your dues payments are posted correctly, your payment must be accompanied by a dues coupon containing all of the required information. Be sure your information is legible. Payments may be sent to the Clubhouse by mail, brought to the Treasurer's office or placed in the dues box on the main floor of the Clubhouse. **Dues coupons are available at the Clubhouse and are published in The Sentinel.**

As a homeowner, your obligation to pay dues continues as long as you own your home and it is the homeowner's obligation to pay dues for renters. Individuals residing in your home with you on a permanent basis ("permanent" defined as a stay of more than 90 days) must be 19 years of age or older and are obligated to abide by the Association's governing documents. Also, remember, if you own more than one home, each property is subject to dues.

Pat Lima led the opening prayer.

This meeting is held in accordance with SRPW governing documents and Robert's Rules of Order-12th addition. This is a rescheduled meeting from May, 12. At that time the clubhouse was closed due to a water main break. Notice of this meeting was by Robocall and posted on the front of clubhouse doors, with access to all residents.

Roll Call- President-Maria Brush; Vice President- Ed Menzenbach; Secretary Susan Stier-Driscoll-Absent; Treasurer-James Conway; Bill Kellner- absent; Mary Bethe McGill; Brian Kochera-absent; Esther Perez; Shirley Emmons; Tom Kalinowski-absent; John Feegan; no quorum available;

President's report- as discussed at last HOA meeting, I have been in contact many times over the last few months and years with Berekely Township Codes department, specifically Mike Cosenzo, regarding the vacant, unkempt homes; they informed me that once a violation notice is issued, they follow up on it regularly; if the violations are not remedied, the owners are then issued summons; I referred specifically to an eyesore on Westbrook Drive, which they assured me they have been following up on; in addition, none of the mail has been returned to the township; on our end, I am guessing liens would be the next step as far as what they owe us. Unfortunately, there are many homes like this in the community, just no on a major road which makes them visible; I am sure the next administration will stay on this issue;

Mosquitos- this creek that runs behind our community is a part of the Davenport Branch; it is maintained by Ocean County; keep your property free of standing water/debris to alleviate attracting mosquitoes; any other information or assistance can be obtained by calling Ocean County.

Vice President- lightening struck a tree on Northumberland; damage done to 3 yards from debris; homeowners were told to get in touch with their homeowner's insurance; we have police report and pictures of the incident; Tree Masters came out immediately;

Treasurer's Report- Jim read financials for May; we have already collected an estimated 60% of dues for the year; included as income was 2 hall rentals for the month; we are under budget on payroll as these two positions placed in the budget has been deferred to the next administration to hire; net profit of \$91,000; ahead of budget by \$42,064.; sales of homes still brisk-4 in the month of May; 29 this year to date; ahead of budget on the Capitol Reserve account;

President Brush acknowledged it has been a pleasure to work with Jim;

Trustee Report's-

Section 5- Mary has been working with Ed on the tree issue on Northumberland; let the homeowner know that the debris will be taken care of; also, please let the homeowner on Westbrook that we are addressing the issues at 117 Westbrook;

RESIDENT COMMENTS

Resident on Northumberland affected by the falling tree updated that Tree Masters would come repair sprinklers damaged , along with reseeding the lawn; he is also requesting Verizon do some work on the common ground;

Mr.Alfano praised the amount left in the budget for capital reserve; Jim said there is no reason to ever have any assessments;

Any Update on sign repair / parking lot repair? We had an engineering firm do a Capital Reserve study where they come in and go over every item in the clubhouse, estimate it shelf life and cost to repair; the sign and parking lot, among other items like the doors, are on that study; when I was preparing to take office, there were 2 items up for discussion- the bussing contract and the kitchen upgrade;due to professional courtesy, I will leave these two items to the next administration ; it has been discussed that the sign might just need to be replaced; in summary, those are big ticket items that the next administration will have to deal with. Ed stated that a few years ago \$62,00 was spent to have a portion of the parking lot paved. Ed also stated that the sign has been a problem for awhile.

EMERGENCY CONTACT FORM

Life changes. As your needs change, you may change a will, create powers of attorney and deal with other legal issues. One thing you may forget to do is notify this Homeowners' Association of changes to your emergency contact information. It is essential that you advise the office of changes in persons or phone numbers to be contacted in case you experience an emergency. An emergency could include a fall in your home, a fire, a late-night pick-up by an ambulance. When authorities, such as police, firemen, and ambulance workers contact the Clubhouse because they need to contact people on your behalf, it is important that the information stored at the Clubhouse is up to date. So, please, if you are not sure if your information is up to date, err on the safe side and complete the Emergency Contact Form on page 43 of this Sentinel. You can mail it to us, drop it in the door slot, or pay us a personal visit.

SUNSHINE

Dear Neighbors,

Melinda D'Amico and Vivian Evanchik have volunteered to provide "sunshine" to our community by sending cards to families on behalf of our association. If you know of anyone who has been hospitalized, is ill, has lost a family member, or is simply in need of a little sunshine, please call the office at 732-244-1484 ext. 613. The Sunshine team will, on behalf of all of the homeowners in SRPW, send an appropriate card that will brighten someone's day. Thank you.

KIRMS PHOTOGRAPHY

Beach & Pool Scenes

It's summertime, and a great time to get some shots at the beach and pool. On crowded beaches, you can shoot the people, activities, and colorful umbrellas. On remote beaches, you can look for wildlife, patterns in the sand, or great cloud formations against the water. There are always sunrise images early in the morning. Don't forget sunscreen and a hat!

The challenge with beach shots is getting the proper exposure. Your camera is designed to give you an average exposure of the entire scene. This is why most of your images are properly exposed. A very bright scene tricks your camera into thinking there is too much light, so the camera will cut back on exposure. To compensate, you should increase the exposure slightly. If your camera has "scene" modes, use the one for snow or beach.

A great way to enhance your images is by using a polarizing filter, which cuts glare the same as polarizing sunglasses. Many photographers use this filter to make the sky in their images darker (and the clouds brighter), but this filter works wonderfully to show the detail in the sand and to remove the

reflections in the water. This also works well for images around the pool.

That's it for this month. As always, you can send me an email at bill@kirmsphotography.com if you have any photographic questions. Visit my website, www.kirmsphotography.com, if you'd like to see more of my images. Keep shooting and trying to improve your images, but most importantly, have fun with your camera.
